In view of the recent letter of the Municipal Comm

Mr Srinivasayya may be designated as Market Superintendent and given the grade of Rs 100-5-150 as in the case of the Food Analyst. It would be an adequate recognition of his food work as reported by the Commissioner Municipal Council. There is no better grade to give him as a qualified man for the Food Analyst's post.

SIR,

1379/

With reference to Law Secretary's letter No. L. 8739/M1 10-44-104 dated 1st March 1945 intimating that the recommendation of the Municipal Council to appoint Mr S Sreenivasiah as Market Superintendent on Rs.100-10-150 cannot be approved in view of his poor educational qualifications, I have the honour to state that the letter under reference came up for consideration before the Municipal Council at their meeting on 31-3-45 when, after a lengthy discussion, they reiterated their previous resolution appointing Mr Sreenivasiah as Market Superintendent in consideration of his experience and competancy and the efficient discharge of his official duties. In the circumstances, the Council request that the Government may be pleased to accord sanction to their resolution A copy of the proceedings of the Council is enclosed.

I have had plenty of opportunity of obtaining first hand knowledge of the work and capacity of Mr Sreenivasiah It is true that his educational qualifications are poor, but that has not in the least come in the way of the efficient discharge of his duties. He has natural abilities and he is quite capable of writing good reports in idiomatic English Of his executive capacity and efficiency there is not

the least doubt The Revenue for the central market exceeds a lakh and a quarter. The collections during 1944-45 exceeded 99% and the arrears now outstanding are less than Rs.1,000/- The correspondence leading to Government Order No. L.1238-9/Ml 10-43-132 dated 7th August 1944 clearly indicates that the Council obtained the sanction of Government to the creation of the Market Superintendent with a view that Mr. Sreenivasiah may be appointed to the post He has not many years to serve and his promotion as Market Superintendent towards the fag end of his service would in my opinion, be an appropriate recognition of his long and faithful service to the Municipality I would therefore request that the Government may be pleased to reconsider their decision and convey their approval to the resolution of the Council.

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner.

Proceedings of the meeting of the Bangalore City Municipal Council, dated 31-3-1945

Addl Sub 3

Letter No L 8739/M1 10-44-104 dated 1-3-45 from the Law Secretary that the Council Resolution to appoint Mr Srinivasaiah as Market Superintendent on Rs 100-10-150 cannot be approved and calling for fresh proposals, if any in this behalf

---

Mr. H C Suryanarayanarao moved that this Council re-iterates its previous resolution appointing Mr Srinivasaiah as Market Superintendent, who is found to be experienced and competent to carry on his duties, efficiently and requests the Government to accord sanction to its resolution"

In moving the above, he observed that the question of qualification did not arise at the fag end of the service of the official to be promoted and ought to have been considered while appointing him first Further the power of appointing Market Superintendent vested in the Council and he did not see how Government could interfere with this. Finding Mr Srinivasiah quite competent the Council had, recommended his case and it was not proper to throw him out on the ground that he had poor qualifications They had to consider his efficiency and capacity

Mr M H Hanumanthappa seconding the above said that the Council had come to this decision after considering the long and satisfactory service of the official and that it was not right for Government to interefere in this manner

Mr D Venkataramanappa opposing the above said that though the power of appointment vested in the Council they had to think twice before taking any steps in view of the order declining to sanction resolution of the Council The Council had recommended the case once and the Government had turned down the resolution The Market Superintendents place required a ~~xpexx~~ very capable Officer No doubt Mr Srinivasaiah was discharging his duties satisfactorily previously, but now on account of ill-health, he was not doing his duties properly The collection work in the market had slackened and stray cattle It could be seen moving about freely in the market There were many encroachments in the market which had not been removed by the present market Inspector He finally said that for these reasons a more capable person might be appointed as Market Superintendent ~~Srinivasaraiah so far as correction~~ The Commissioner informed the house that there was no complaint against Mr. Srinivasaiah so far as collection work was concerned and his work was satisfactory as re encroachments etc , it required a deeper and wider consideration at the hands of the Market Committee and the police and it was not proper to fix the responsibility on one person

Mr T T Sharma supporting Mr H C Suryanarayana Rao said that the reason given by the Government for refusing to sanction the Council Resolution was that Mr Srinivasaiah had poor qualifications Perhaps the Government refused to appoint him as Market ~~Inspector~~ Superintendent as he was not a Graduate He had put in 27 years of service and when he was to get this sanction legitimately it was not proper to deny him the benefit When once a person entered service his education qualification did not arise and they had to consider his efficiency

and capacity for giving promotion If, inspite of their resolution the Government turnedd down their proposals, they should go on re-iterating the same till they won

Mr B N Gupta further supporing said that it had become a craze in Government to entertain Graduates and that they should show to Government, that they could manage the work efficiently with non-graduates also, and the Municipality was not anxious to entertain graduates ~~acting~~ for posts of this nature In case of promotion to higher posts, they should take into consideration the efficiency and capacity of the official So they should re-iterate their previous resolution.

Mr, K Shamaraja Iyengar next supported the resolution of Mr H C Suryanarayana Rao and said that there were many instances where non-graduates had proved efficient and capable Mr Srinivasaiah was found to be experienced and capable and if such officials were not encouraged, there would be discontentment in the office and no work could be got done So they should be-iterate their previous resolution

Mr M K Narayana Iyengar also supported the above views and said that it was not right to ~~raise~~ the question of qualification after the official had put in 27 years of service No qualification had been fixed for the post of the Market Superintendent, either by the Municipality or by Government Further, this was a matter affecting prestige of the Council When they had resolved to appoint an official of their own choice, the Government had no right to interfere with their choice This was an opportunity given to them to assert their rights and they should do so with all their heart Even if Government turned down their resolution ten times, they should re-iterate till they succeeded

Mr Misrilall Parasumal said that he was also supporting considering his long service

At this stage, Mr B N Gupta moved an amendment that the works 'Inspite of his poor qualifications' might be added and said that it was with the object of letting know the Government that the Council had considered this aspect also while re-iterating their resolution that he had moved this amendment and Mr Misrilal Parasumul seconded it

Mr H C Suryanarayana Rao opposed the above and said that no amendment was moved when he moved his proposition and that in all fairness to Mr Srinivasaiah he should be appointed Superintendent and the Council should re-iterate its resolution

Then Mr B N Gupta withdrew his amendment with the permission of the House and the proposition moved by Mr H C Suryanarayana Rao was put to vote and passed, all except Mr D Venkataramanappa voting for the same
